Laduma Hardware was founded in April 1996 to bring affordable, quality hardware & building materials closer to the villages in Mpumalanga and Limpopo. Laduma Hardware is also driven by the goal to create jobs in the communities it services.

Laduma Hardware currently has 6 stores in Limpopo and 8 stores in Mpumalanga. Plans are at advanced stages to open a new super store in Lebowakgomo by end of October 2019. Laduma Hardware is working towards extending its geographic footprint throughout South Africa and other Southern Africa countries in the next 3-5 years. Our product offering include a range of buildware and hardware products that cater to all your building needs. We offer good quality products at affordable and unbeatable prices.

VISION

A dynamic empowered company that functions profitably in a tightening economic environment
